

We Need Your Help!!

The Foundation is launching a new major

Fundraising initiative to raise money for current and anticipated health studies. Building on the success of our **“Legacy of Hope”** Wristband* campaign, the Foundation has set a fundraising goal of **\$50K within the next year.**

This is the first time that the Foundation has launched a fundraising campaign for a specific fund with a monetary goal. We are taking this unprecedented step because:

- Our Health fund is dwindling due to the increasing number of exciting studies we are supporting (cancer, sports injuries, patella luxation, etc.)
- We are anticipating requests for support of study extensions or spin-off studies within the next couple of years. (e.g. Dr. Breen's soft tissue sarcoma work is likely to be extended).

Thanks to the generosity of the Flat-Coat community, we have been able to support some world-class, ground-breaking research initiatives. Recently the **FCR Foundation** received an award from the Canine Health Foundation for being **among the top 10 breed club patrons of canine health research!!**

***PLEASE HELP US CONTINUE THESE GOOD WORKS and
ALLOW US TO CONTINUE PROVIDING HOPE FOR
FUTURE GENERATIONS OF HEALTHY FLAT-COATS!***

If every member of the FCRSA were able to contribute \$50, we could easily meet our goal. But ***any size contribution is welcome!***

Please use the basic contribution form in the FCRSA newsletter

Or send a check payable to the FCR Foundation to:

FCR Foundation c/o Cheryl Kistner
27941 W. Flynn Creek Dr.
Barrington, IL 60010

Or surf over to our website and make a fast and easy online donation via Paypal:

<http://www.fcrfoundation.org>

All donations to the “Legacy of Hope Fundraising Campaign” are tax deductible and can be made as Memorials or Honorariums

*Purple Wristbands are still available and being worn throughout the Flat-Coat community to remember lost companions. Get yours from Donna Chocianowski: kippenhill@aol.com
